Proposed by: C.T.S.F Executive Committee (Via Voting)

## Overview of Canadian participation in Germany 2006

- Canada has been invited to compete amongst 20 other countries in Germany 2006
- Our country must choose **ONE TABLE** that all of our matches will be played on in Hamburg, Germany.
- 6 Male players must be selected to compete.
- A minimum of 2 female players must be on the national team.
- A coach related to the flow of all matches and strategy has been invited to attend.
- A national delegate to represent the C.T.S.F in Germany must be decided by the C.T.S.F executive committee
- ITSF has split all 20 countries into three skill levels (A,B and C)

# Format for Official C.T.S.F Qualifiers

## TABLE USAGE:

- We require all male qualifiers to be held on “Tornado” tables.
- Of course, priority should be given to the table used for the finals of the “CTSF WORLD CUP SINGLES”.

## FORMAT IMPORTANCE:

- We believe that our main goal is to ensure that the best WESTERN and EASTERN table soccer player qualifies sits on the National Team.
- The only way we will achieve this is by ensuring a gruelling and tough way to win this tournament for all players concerned.

## SUGGESTED FORMAT:

- Round Robin prior to the Double Elimination tournament (One Match to 6)
- \*The highest ranked 4 players in the tournament will be spread out into 4 pools.
- Top 4 of each pool will move into the DTKO.
- 3 out of 5 on both sides (To ensure no lucky chance or upset that could determine the fate of some)
- 15\$ per player to raise funds for the CTSF to continue its work into 2006.2007.
- An official statement on where this money goes will be important and will be made public.
- Tournament is capped at 32 participants.

## OFFICIAL RULES:

- Rather implement the ITSF rules now as they have asked us to do, we will ensure rules that all TORNADO players are accustomed to playing with.
- For official C.T.S.F qualifiers, USTSA rules will be the rules used and respected.

## NAME OF EVENT:

- Name of event: “CTSF WORLD CUP SINGLES”

## RESTRICTIONS:

- The C.T.S.F believes that all players **should be given** a chance to compete. Therefore those with current suspensions will be issued a warning on behalf of the CTSF and will be **permitted** to compete. All players previously suspended, or are currently serving a suspension, or have asked to be banned from their local association **can play** in this event. We are promoting the sport with its players, and we must work closely with them to do so.
- All players located in the MARITIMES, QUEBEC, and ONTARIO will be permitted to **ONLY play in OTTAWA**
- WEST OF ONTARIO, INCLUDING NORTH WEST TERRITORIES **will only be permitted to compete Calgary.**
- Players from the U.S such as Michigan will be permitted to play in the OTTAWA tournament with proof of citizenship. (ANY PLAYER FROM EAST U.S)
- Players from the U.S such as Seattle will be permitted to play in the CALGARY tournament with proof of citizenship. (ANY PLAYER FROM WEST U.S)

## DOCUMENTARY IMPORTANCE:

- We are asking that the finals of both qualifiers be filmed by the documentary. A designated area to film this final is imperative.
- We are asking if possible to have a referee in full attire to ensure that we look professional once we shoot this finals match.
